Skills

Hard Skills

Git • HTML • CSS • Javascript • Typescript • React • Next.js • Nodejs • Java • PostgresSQL • OOP • data structure

Soft Skills

Effective communication • Problem-solving • Teamwork • Creativity • Time management • Adaptability • Empathy • Critical thinking

Languages

Spanish (Native)
English (B2)

Experience

CEFIS Fisioterapia

Front-End Developer

Jun, 2022 - Jul, 2023

Administration Dashboard with React and NextJs for the management of patients, appointments, and services performed daily by a physiotherapy center.

Designing a user interface from scratch and implementing it in a web interface using TailwindCSS.

This successfully developed software replaced the previous spreadsheet system, avoiding inconsistencies in the information.

It increased the data capture speed of patients by 300% and improved efficiency in managing appointments and services.

Personal Projects

Minecraft Blog

This website is a Minecraft blog focused on curating content for passionate game enthusiasts and building a community of players.

Music App
